DC-UPS NBPA0616G01101

1 Short description

The battery backed DC power supply in the **AKKUTEC** range uses the standby-parallel principle of operation and, in conjunction with a lead accumulator, ensures that the DC power supply is reliably maintained in the case of a mains power failure. The back-up time depends on the state of charge of the accumulator and the discharge current.

The power supply has the following features:

- battery charger system with I/U charging characteristics
- micro controller-based battery management
- Temperature compensation for charging voltage by means of external sensor module (optional module).
- USB interface with appropriate driver unit and **TECCControl** Software of J. Schneider, message contacts may be controlled and a shut down/re-start can be effected.

2 Technical Data

nominal input voltage	115-230V AC	efficiency	typ. 88%
input voltage range	98-264V 115V - 15% - 230V + 15%	Ua=26,8V DC, Ia= I _{Anom} and Ue=230V AC	31W
Eingangs frequenz	47-63Hz	Leackage current	<3,5mA
Nominal input current	1,4A - 115V AC 0,7A - 230V AC	Fusing input	250V 2,5A T (internal)
max. inrush current	35A / 2ms	Fusing DC- output circuit (ex- ternal, UL-248)	(7.5A ¹⁾ / 6,3A T
Output voltage (without battery)	26,8V DC ±0,4%	fusing battery circuit (external, UL- 248)	(7.5A ¹⁾ / 6,3A T
Output voltage (with battery)	19,8V – 26,8V DC	Type of connection input 'mains'	Spring-type max. 2,5mm ²
Final charging voltage without temperature sen- sor:	26,8V DC ±0,4%	Type of connection output 'Ua', 'Batt'	Spring-type max. 2,5mm ²
Final charging voltage with Temp.-Sensor (op- tional)	27,0V DC bei 25 °C	Type of connection messages	Spring-type max. 1,5mm ²
Charging characteristics	I/U DIN 41773-1	Protective system	IP 20 u. EN 60529
Deep discharge protection and load rejection at	19,8V DC ±0,4%	weight	1kg
Nominal output current I _{Anom}	5A DC	Storage temperature	0...50°C
Current limitations	1,05...1,1 x I _{Anom}	Environmental temperature Recommended for battery	0 - 45°C 0 - 25°C
Battery type	Lead accumulator, main- tenance-free	dimensions	160x75x150mm (HxDxW)
